In case of a Joint Venture (JV), all members of the JV will be evaluated jointly for the purpose of short listing and shall be jointly and severally liable for the assignment and shall sign the contract in case award is made to that JV group. Interested consultants should clearly indicate the structure of their “association” and the duties of the partners and sub consultants in their application. Unclear expression of interests in terms of “in association with” and/or “in affiliation with”, etc. may not be considered for short listing.

Joint Venture agreement to be authenticated in case of Contract Award.
15. Eligibility Criteria:

Bidders entitled to take part in the procedure

Tenders from bidders will be admitted to the procedure provided that none of the following reasons for exclusion or conflicts of interest apply:

a) Sanctions or embargoes of the Security Council of the United Nations, the EU or the German government preclude the participation of a bidder.

b) The bidder is excluded from the tendering process with legal effect in the Client's country on the grounds of punishable offences, especially fraud, corruption or other economic crimes.

c) The bidder is a state-controlled company in the partner country that is not legally or economically independent or that is not subject to commercial law, or that is a public authority dependent on the Client or the Project Executing Agency or the recipient of the loan/financial contribution.

d) The bidder or individual members of the bidder's staff or a subcontractor has economic links or family ties with personnel of the Client who are involved in preparing the tender documents, awarding the contract or supervising the execution of the contract, insofar as the conflict of interests could not be resolved to KfW's satisfaction in advance of the contract award and execution phase.

e) The bidder or individual members of the bidder's staff or a subcontractor were directly involved in drawing up the terms of reference and/or other information for the tendering procedure. This shall not apply to Consultants who have produced preparatory studies for the contract or who were involved in a preceding phase, insofar as the information they prepared in this connection, especially feasibility studies, was made available to all bidders and the preparation of the terms of reference for the invitation to tender was not part of the activity.

f) The bidder or individual members of the bidder's staff or a subcontractor are not or were not during the last 12 months prior to publication of the invitation to tender indirectly or directly linked to the project in question through employment as a staff member or advisor to the Client, and are not or were not able in this connection to influence the award of the contract for services, or the bidder is not or was not otherwise able to influence the award of the contract for services.

By signing the Declaration of undertaking (see Annex 1), the bidder attests that none of these reasons for exclusion or conflicts of interest apply. In case of doubt, when tendering the bidder in question shall furnish proof to the satisfaction of the Client and KfW that the aforementioned reasons do not apply.

Independence of the Consultant

The Consultant must always be neutral and independent vis-à-vis potential suppliers for the project in question. Members of associated firms may participate in a project only as either
Consultant or manufacturer/supplier/construction firm. When submitting proposals, Consultants must disclose any links with other firms and give a binding declaration that should they be awarded the contract, the firms with which they are associated do not intend to take part in the project in any other form. In a joint venture, this also applies to participating professionals and other consultancy firms. These regulations do not apply to Build-Operate-Transfer (BOT) projects or operator models.

Consultancy firms that belong to the same group of companies or affiliated companies or are linked in another way financially, organizationally or through personnel, can participate in the competitive tendering procedure individually only if no other member of the group or affiliation participates.

Qualification and Selection Criteria:

- Company information: name, status, address, telephone number, facsimile number, year of establishment, contact person for the project, average annual turnover for the previous 5 (five) years (2014-2015-2016-2017-2018) at least 1,000,000 Euro, number of permanent staff and part-timers, fields of expertise;

- Filled copy of the table given in Annex 2 of the “Request for Expression of Interest” that comprise details of max. 5 number of experience in similar assignments (During the evaluation of experience in similar assignments the quality and the size of the projects will be considered.) including value of consulting services and value of works, location, number of staff involved in the contract, name of the Client, name of partners for contract execution and share of services, source of financing, type of services provided, contract commencement and completion dates, brief description of the contract;

- Letters of recommendation from previous Employers;

- Signed copy of “Declaration of Undertaking” document (Annex 1)

- Filled copy of the table given in Annex 3 of the “Request for Expression of Interest” that comprise required expertise and experience information related to min. ten staff that may be available to work on the assignment(s).

- Form of association (sub-consultant/joint venture) for the execution of the contract(s), if the case may be, and identification of the leading company. Same information shall be submitted for the leading company and the associate companies.

- A list of ongoing assignments including the start and end dates and the personnel involved.

- Each proposed staff should have a university degree of civil engineer, mechanical engineer, electrical engineer or architect.

16. Framework agreement: Not Applicable

17. Number of selected candidates to be invited to submit tender: maximum 6 (six) tenderers.
However, the short list may comprise a smaller number of candidates in case only a few qualified firms have expressed interest.

18. Criterion for awarding the service contract:

Consultants shall be shortlisted and contracts shall be awarded in accordance with the QCBS (Quality and Cost Based Selection) Method set out in the World Bank’s Guidelines: Selection and Employment of Consultants by World Bank Borrowers, January 2011 (revised July 2014, October 1, 2006 & May 1, 2010).

The selection criteria for the short-listing are:

- **General Experience**
  - Average Annual Turnover for the previous 5 (five) years (2014-2015-2016-2017-2018) **20 points**
  - International Experience **10 points**
- **Specific Experience (Retrofitting)**
  - Supervision **20 points**
  - Design **40 points**
- **Qualification of Key Staff (10 CV comprising all branches)**
  - (5 CV for retrofitting supervision and 5 CV for retrofitting design) **20 points**

Total **100 points**

Minimum number of points necessary to be retained: 75 Points

The selection criteria for the contract award will be decided later in the Request for Proposal documents to be sent to the short-listed firms.

19. **Time frame for the tenderer to maintain their proposal valid**: 90 days from the date of submission of proposals.

20. **Names and addresses of economic operators already selected**: Not Applicable

21. **Name and address of the body responsible for appeal**: Istanbul Project Coordination Unit

22. **Date of publication of the prior information notice**: Published in the Official Gazette of Republic of Turkey dated 21.07.2017.

23. **Indicate whether the contract is covered by the Agreement**: Yes (the notice shall be published in the Germany Trade and Invest (GTAI)).
Annex 1: Declaration of Undertaking

We underscore the importance of a free, fair and competitive contracting procedure that precludes abusive practices. In this respect we have neither offered nor granted directly or indirectly any inadmissible advantages to any public servant or other person nor accepted such advantages in connection with our bid, nor will we offer or grant or accept any such incentives or conditions in the present tendering process or, in the event that we are awarded the contract, in the subsequent execution of the contract. We also declare that no conflict of interest exists in the meaning of the kind described in the corresponding Guidelines1.

We also underscore the importance of adhering to environmental and social standards in the implementation of the project. We undertake to comply with applicable labour laws and the Core Labour Standards of the International Labour Organization (ILO) as well as national and applicable international standards of environmental protection and health and safety standards.

We will inform our staff of their respective obligations and of their obligation to fulfil this declaration of undertaking and to obey the laws of the country of Republic of Turkey.

We also declare that our company/all members of the consortium has/have not been included in the list of sanctions of the United Nations, nor of the EU, nor of the German Government, nor in any other list of sanctions and affirm that our company/all members of the consortium will immediately inform the Client and KfW if this situation occurs at a later stage.

We acknowledge that, in the event that our company (or a member of the consortium) is added to a list of sanctions that is legally binding on the Client and/or KfW, the Client shall be entitled to exclude us/the consortium or, if the contract is awarded to our company/the consortium, to immediately cancel such contract if the statements made in the Declaration of Undertaking were objectively false or the reason for exclusion from the tender procedure occurs after the Declaration of Undertaking has been issued.
